**Fund Raising Golf Tournament
Stoney Nakoda Nations
Stoney Education Authority (SEA)**

September 3, 2010
Kananaskis Country Golf Course

To Whom It May Concern:

On Friday, September 3, 2010 members of the Stoney Nakoda Nations (Bears paw, Chiniki, Wesley) will be hosting our First Annual Fund Raising Golf Tournament in support of the Stoney Education Authority. As such, we are seeking your support as a participant, prize donor or sponsor for our event to be held at Kananaskis Country Golf Course.

The Stoney Education Authority encompasses Chief Jacob Bears paw School, Morley Community School and Ta Otha School on three Stoney Nakoda Reserves: Bighorn, Eden Valley, and Morley. The Stoney Education Authority (SEA) is involved with over 1000 students and their immediate and extended families.

The SEA recognizes the relationship between literacy and mental, physical, and emotional health. Significant strides in the area of literacy have been made – much more may be actualized through adequate technical, professional, community, and financial support. The SEA believes that language, history, culture, and indigenous knowledge are central components to developing effective literacy programs and school curriculum. Moreover, the Nakoda culture provides a rich context for all forms of literacy and learning, including, but not limited to, representing, thinking, speaking, reading, writing, and math.

All three schools within SEA follow the regulations required under the Alberta School Act and follow the curriculum prescribed by Alberta Education who also ensures appropriate standards have been met throughout the school. Therefore all courses and diplomas granted by SEA schools are fully recognized and hold the same value as those granted by any other off-Nation school.

Mission

The Stoney Education Authority aims to develop successful First Nation's programs that increase graduation rates in all of our communities. It is our belief that our children deserve the very best education and that we must provide a First Rate, First Nation System of Education.

As a potential sponsor for our fund raising event, we invite you to participate with 144 of our Nation members, Government agencies, industry representatives and associates taking part to support this important educational organization.

Here are some suggestions as to how you might choose to assist us in our fund-raising efforts:

1. Become a Tournament Sponsor: You will be acknowledged as an event sponsor, and your cheque/cash donation will go directly to the SEA (Charitable donation receipts will be issued upon request).

The main contacts for team registration and sponsorship are:

2. Sponsor a Hole: Your minimum \$250 donation advertises you or your organization on one of the greens, and can include one round of golf if you choose. (tax receipts will be issued for the amount less tournament fees)
3. Donate a Raffle prize: Our largest fundraiser is our “Huge \$20 Raffle” – all our most valuable prizes go in this draw.
4. Donate a Door Prize: These smaller items (such as corporate merchandise etc.) are awarded as prizes to our golfers.

All donors and sponsors will be acknowledged the day of the tournament, through signage as well as in each golfer’s registration package.

If you are able to assist us by making a contribution, please contact the undersigned to make arrangements for items to be picked up. Should you wish to make a monetary contribution, cash or cheques may be made payable to "Stoney Education Authority".
