## FMB services are optional and free

Request a presentation for Chief and Council to:

- Understand the benefits of the *First Nations Fiscal Management Act* and the services of the FMB;
- Provide support in the development of a Financial Administration Law (“FAL”) or Financial Administration By-law (“FAB”);
- Provide overview of Financial Performance Certification and Financial Management Systems Certification; and
- Specify criteria for the ISC/AFN 10-Year Grant initiative.

*“FMB supports Nations to build strong financial governance, and our certifications offer a pathway to long-term affordable financing for social and economic development.”*
